

(Bridgette rushes to Holly)

BRIDGETTE- Well I think he's great and his accent gives me all the feels! You should totally hit that.

(Holly sighs happily. Bridgette rushes to Joy)

There's nothing like falling in love to open up the creative flow.

(Joy sighs happily. Bridgette rushes to Merry)

I'm not quite sure what your deal is but okay, you do you.

(Merry sighs happily. Bridgette rushes to Noelle)

Most relationships are built on one partner forcing another partner to do something they don't want to do. *(She stops, realizes what she's just said.)* Like um.. in a wardrobe sense. Dressing up in weird costumes. *(That doesn't sound good either)* Or in an emotional sense. Opening up. Cool?

(Noelle sighs happily. Bridgette rushes to Rita, but forgets who Rita is.)

Um..

RITA- *(Helping)* Famous actress pretending to be a regular girl.

BRIDGETTE- Right um.. I say just go for it. I find that guy..

RITA- *(Prompting)* Sven

BRIDGETTE- Yeah Sven, he super sweet and a real antidote to Hollywood guys.

(Rita sighs happily. Bridgette rushes to Carol)

So he woke up from his coma and ran away?

CAROL- It's kinda not how I pictured it. But I have his phone now, and his password is 123456, so I'm checking all his photos and photoshopping me into them.

BRIDGETTE- Maybe um.. maybe you need to dial it back?
